An Afternoon of Remembering, While Looking to the Future -
Celebrating the 30th Anniversary of the 1977 National Women's Conference

Saturday, November 10, 2007, 2:30 pm to 4:30 pm
The Corporate Training Center @ Hillsborough Community College

Two women's history, documentary films will be shown: "Sisters of '77" provided by the National Women's History Project and locally produced "Ten at the Top in Tampa Bay." A discussion moderated by women's historian and author **Doris Weatherford** will follow.

"Sisters of '77" celebrates the landmark meeting of feminists in Houston, Texas in November, 1977. Jimmy Carter had promised such a gathering when he ran for president. The event set the course for the women's movement in the United States over the last 30 years. Watching this film will bring back poignant memories for those old enough to recall them. For those who are younger, "Sisters of '77" will bring a new perspective to the way they view women's history -- and their own lives now and in the future. For more information go to: www.pbs.org/independentlens/sistersof77/film.html and www.nwhp.org

"Ten at the Top in Tampa Bay" captures an unprecedented time in Tampa/Hillsborough County's history for female, government leaders in positions traditionally held by men. Tampa Mayor Pam Iorio and HCC President Dr. Gwendolyn Stephenson are among the women in the film who offer sage advice, as they share how they made it to the top. Producer/Director Renee Warmack will be in attendance. For more information go to: www.tenatthetop.com

The event will be held Saturday, November 10, 2007, 2:30 pm to 4:30 pm, at The Corporate Training Center @ Hillsborough Community College, 39 Columbia Drive, Tampa, FL 33606 (Davis Islands). **Please R.S.V.P. via tenatthetop@yahoo.com.** Refreshments will be served.
